Candidate Statement	I am running to be a Pre-Primary Delegate because I feel that fresh blood is needed in our party processes. I am an example of that fresh blood. Part of why I am driven to get involved in the Pre-Primary process is the fecklessness of democratic leadership on a national level. If we don't have national leaders that means that local leadership is even more important than it already is. I am running so that I can make sure we get the right candidates.
